Discover the Mediterranean from the inside

What is there beyond the beach? What if Sitges's maritime horizon wasn't just a view but an invitation to experience the Mediterranean from the inside?

When your vantage point changes, so do your sensations and emotions. Experiencing Sitges from the water transforms your view: you get new perspectives on the sea, spot wilder nooks and ports brimming with life and gain a different way of understanding the relationship between the sea, culture, cuisine and the Mediterranean lifestyle.

Sitges can't be understood without the Big Blue. Along its 17 km of coastline, including urban beaches and coves, you'll find three sports marinas and a unique coastal landscape by the cliffs of Garraf where you can enjoy the Mediterranean sailing, rowing, learning, speed or simply allowing yourself to be carried by the rhythm of the sea.

1. WELCOME

If the sea is your way of life... Sitges is for you.

300 DAYS OF SUNSHINE A YEAR

In Sitges you'll enjoy a mild, steady Mediterranean microclimate coddled by the natural protection of the Garraf mountains.

3 SPORTS MARINAS WITH HIGH-QUALITY SERVICES

Sitges has 3 sports marinas, a unique set on the Catalan coastline that offers all the specialised services you could need with quality and safety guarantees.

THE CLIFFS IN PARC DEL GARRAF

Sitges's coastline opens up to the cliffs of Garraf, which have carved out one of the most unique landscapes along the Barcelona coast.

INFINITE EXPERIENCES SO YOU CAN ENJOY THE SEA THE WAY YOU WANT

Regardless of whether you're seeking adrenaline or fun, wanting to practise your favourite sport or take a quiet sail with views, the specialised sailing companies, clubs and schools in Sitges have everything you need to explore the sea.

MEDITERRANEAN LIFESTYLE

In Sitges, a sailboat ride may end with a seafood lunch, a wine tasting or a cultural tour by the sea.

NAUTICAL TOURISM

2. SPORTS MARINAS

Sitges lives facing the sea, and its three ports are the best expression of this. More than just berths, they are spaces open to the Mediterranean where you can sail, practise nautical sports, stroll, enjoy fine dining or participate in the town's social and cultural life, making them true epicentres of nautical tourism in Sitges.

1 Port de Sitges – Aiguadolç:

Port de Sitges Aiguadolç is the sports marina that is the most closely connected with town life and the most physically integrated into the city. Located just a few minutes from the historic centre, it combines a wide range of nautical activities with dining, leisure, events and culture all year round, making it a true port of experiences. It has 14 companies purveying nautical and tourist activities, a yacht club, a nautical school and an adapted sailing school. Its facilities also are also the home to 16 restaurants, making it one of the prime meeting points where you can enjoy the sea, great food and the Mediterranean lifestyle in Sitges.
